I vow not to take any unnecessary risks and will avoid any bad weather to the fullest possible extent. My goal is to make your trip both safe and memorable. It is important to note that with adventure tourism, boating, and fishing, there are inherent risks that cannot be controlled or eliminated. You must be aware of these risks before you take a trip with us. Please take the time to read this contract, and do not sign it until you fully understand it in its entirety. Please ask for clarification if needed.

Captain Craig Hassell

I, the undersigned, fully understand that I am boarding a charter fishing vessel to fish in open water. I have read, understand, and am assuming the risks and hazards associated with offshore fishing by signing this waiver.

The below-mentioned risks include, but are not limited to:

- Sun, rain, lightning, sea spray, and any other weather condition; seasickness; dehydration; pitching and rolling of the vessel; slippery and wet decks; bodily injuries, both internal and external; boarding and disembarking the vessel; tackle and gear; death; drowning; insect or animal bites; and any other harm which may be encountered while participating in fishing and boating.

I understand that offshore fishing is not recommended for anyone with pre-existing medical conditions such as circulatory problems, high blood pressure, heart conditions, pregnancy, weak bones, etc. I understand that in the event of illness or injury, appropriate care must be summoned by radio, and treatment will be delayed until transportation to a proper medical facility is arranged. I agree to hold harmless the Captain and/or Crew and/or passengers for actions taken in attempting the performance of first aid.

I verify that I am not in possession of any illegal substances, and I release Drop Off Sport Fishing, LLC from any liability whatsoever for any unlawful actions taken by myself on the vessel. I understand that if it comes to the attention of the Captain or Crew that I have any illegal substances or participate in any illegal actions, the charter will end immediately, and no reimbursement for the remainder of the trip will be provided.

I understand that the consumption of alcohol may increase the risk of injury around water and boats, and I recognize that if I choose to consume alcohol while on board the vessel, it is at my own risk, and I assume all liability. Drop Off Sportfishing, LLC, its Captain, and Crew shall be held harmless from any and all claims for personal injury or death arising from or related to, directly or indirectly, the use or consumption of alcohol or drugs, even if the personal injury or death is caused in whole or in part by the negligence of Drop Off Sportfishing, LLC. For your safety and the safety of your fellow passengers, Captain, and crew, the Captain has a right to deny any person on the boat that is visibly intoxicated at the start of the trip.

I have read this waiver on the reverse of this signature page and understand that it is a legal document designed to inform me of the risks associated with offshore fishing and release the Captain, Crew, and Drop Off Sportfishing, LLC from any and all liability for personal injuries, death, illness, or damage to property, arising from my participation in this

fishing charter. I agree and acknowledge that I have read this release and fully understand the contents of this entire document, understand that it affects my legal rights, and agree to be bound by its terms. I understand that I am free to address any specific questions regarding this release prior to signing, and I agree that my failure to do so will be interpreted as a free and knowledgeable acceptance of the terms of this release. I execute it voluntarily and with full knowledge of its significance.

*No signature is required prior to the charter; a printed copy of the release will be provided to your group to sign on the day of your charter.
